and strength, after every other  
medicine and the most skilled  
medical treatment has failed.

One of the most remarkable  
cases on record is that of Mrs.  
Charles Peden, of Huntsville,  
Ala. Mrs. Peden, according to  
her own signed statement, gained  
twenty-seven (27) pounds in  
only a few weeks' time, and her  
case has created widespread in-  
terest over the entire country.  
She is reported to have received  
over eight hundred (800) letters  
regarding her statement since  
its publication.

Another remarkable case was  
that of Mrs. O. C. Oason, of  
Ackworth, Ga., who according  
to her statement was recently  
brought in an automobile to At-  
lanta, propped up on pillows, to  
visit her sister, with no hope of  
ever returning home alive. Mrs.  
Oason at that time only weighed  
60 pounds, and after taking  
Tanlac six weeks was on her feet  
again and weighed 95 pounds—a  
gain of 35 pounds.

Mrs. Wilhelmina Joiner,  
wife of a well-known engineer  
for the M., D. & S. R. R., whose  
address is 115 Third street, Ma-  
con Ga., recently said: "I have  
finished my third bottle of Tan-  
lac and have gained 35 pounds." She further stated that she had  
suffered nearly two years with  
nervous indigestion, and that  
Tanlac has entirely relieved her  
of the trouble.

Prof. Elmer Morris, a teacher  
in the public schools of Stewart  
county, Tennessee, recently said  
that, after suffering over a year  
with serious stomach trouble,  
during which time he was treat-  
ed by doctors and went to Daw-  
son Springs, Ky., without get-  
ting any relief, he took three  
bottles of Tanlac, gained 20  
pounds and was entirely well.  
Prof. Morris' address is R. F. D.  
1, Dover, Tenn.

Dr. J. R. Edwards, a well-  
known physician of Fayetteville,  
Ga., recently wrote of the re-  
markable recovery of T. M.  
McGough, of that place. Dr.  
Edwards stated that Mr. Mc-  
Gough, who was one of his pa-  
tients, has not only been reliev-  
ed of serious stomach trouble  
by Tanlac, but that he had  
gained 17 pounds on the medi-  
cine.

One of the most remarkable  
endorsements ever given was  
that of Mrs. G. W. Williams, of  
Gadsden, Ala. Mrs. Williams,  
stated that she had suffered  
with serious kidney and stomach  
trouble nearly 15 years and that  
her condition became such that  
it was necessary for her physi-  
cian to call three times a day.  
Finally she was told that there  
was no hope for her recovery,  
and thinking that she would die,  
she had her children, who were  
residing in other cities, summon-  
ed to her bedside. Her daughter,  
Mrs. R. O. Nelson, of Atlanta  
arrived and begged her mother  
to take Tanlac, which she did.  
She was soon on the road to re-  
covery. Her own words were:  
"Tanlac has made me feel as
